Dujos

2024 m. pabaiga tokia pati kaip 2023 m.

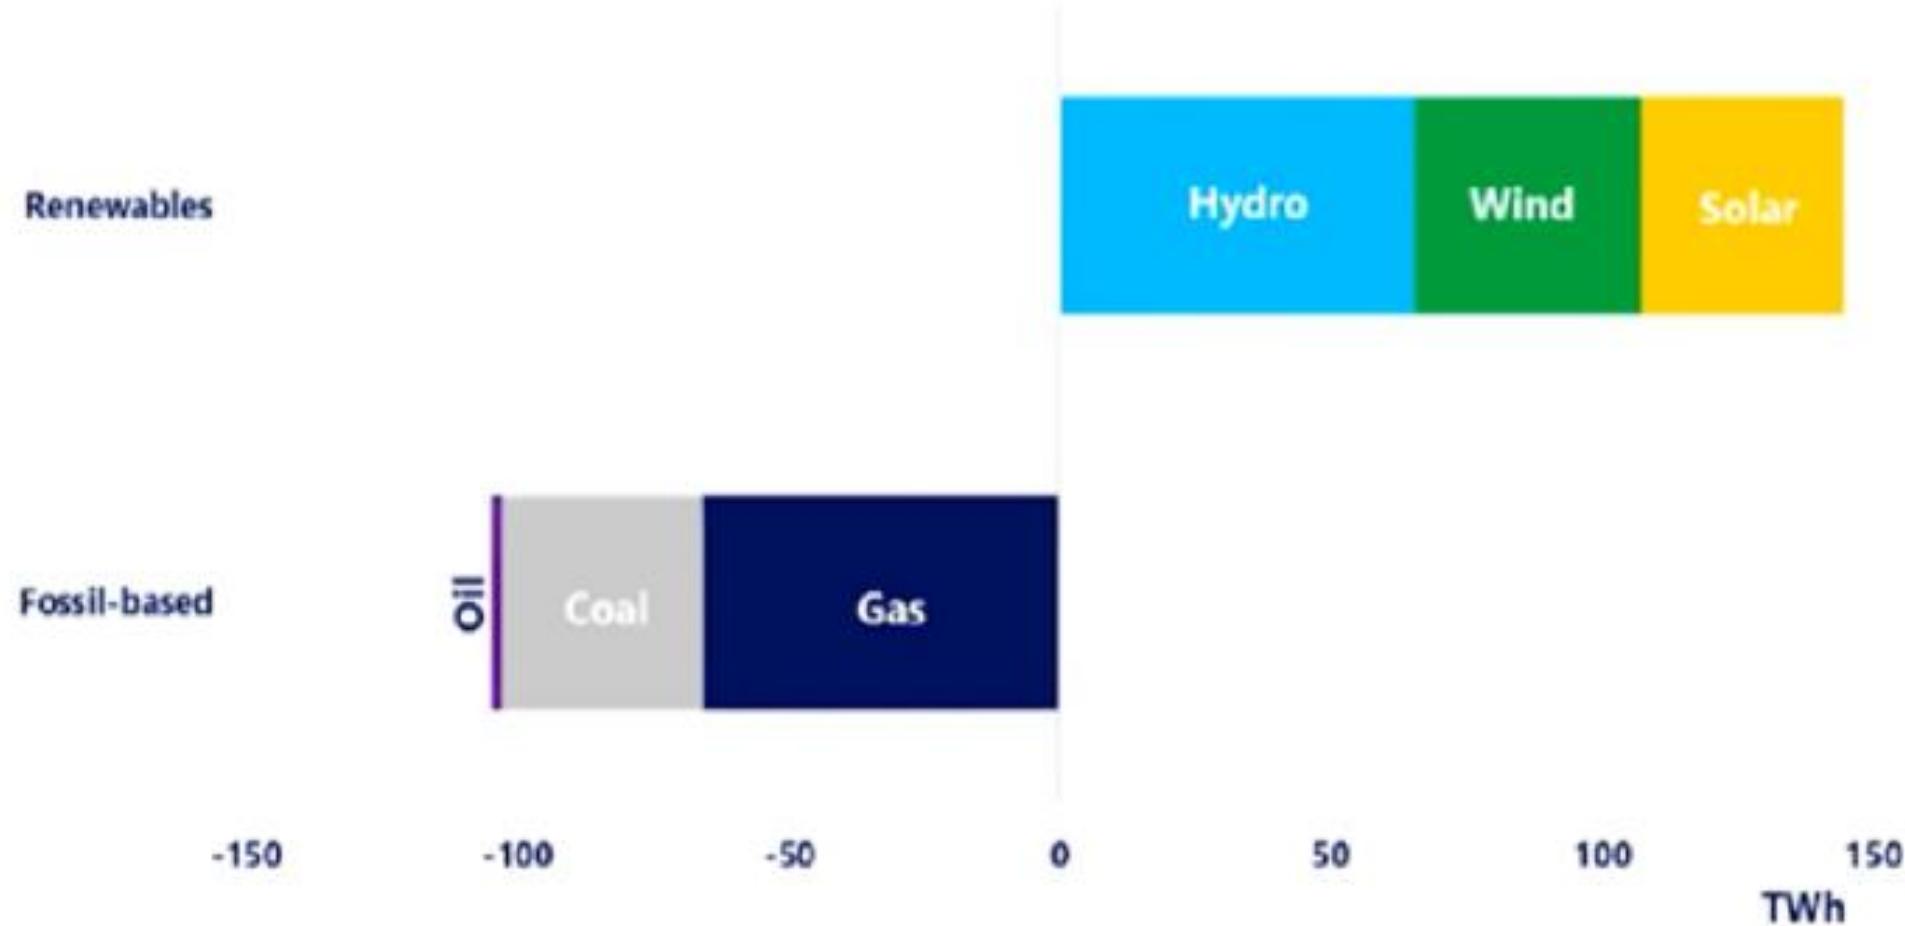

Dujų suvartojimas Europoje sumažėjo 100 mld m³

Dujų vartojimas auga pramonėje, bet mažėja elektros gamyboje

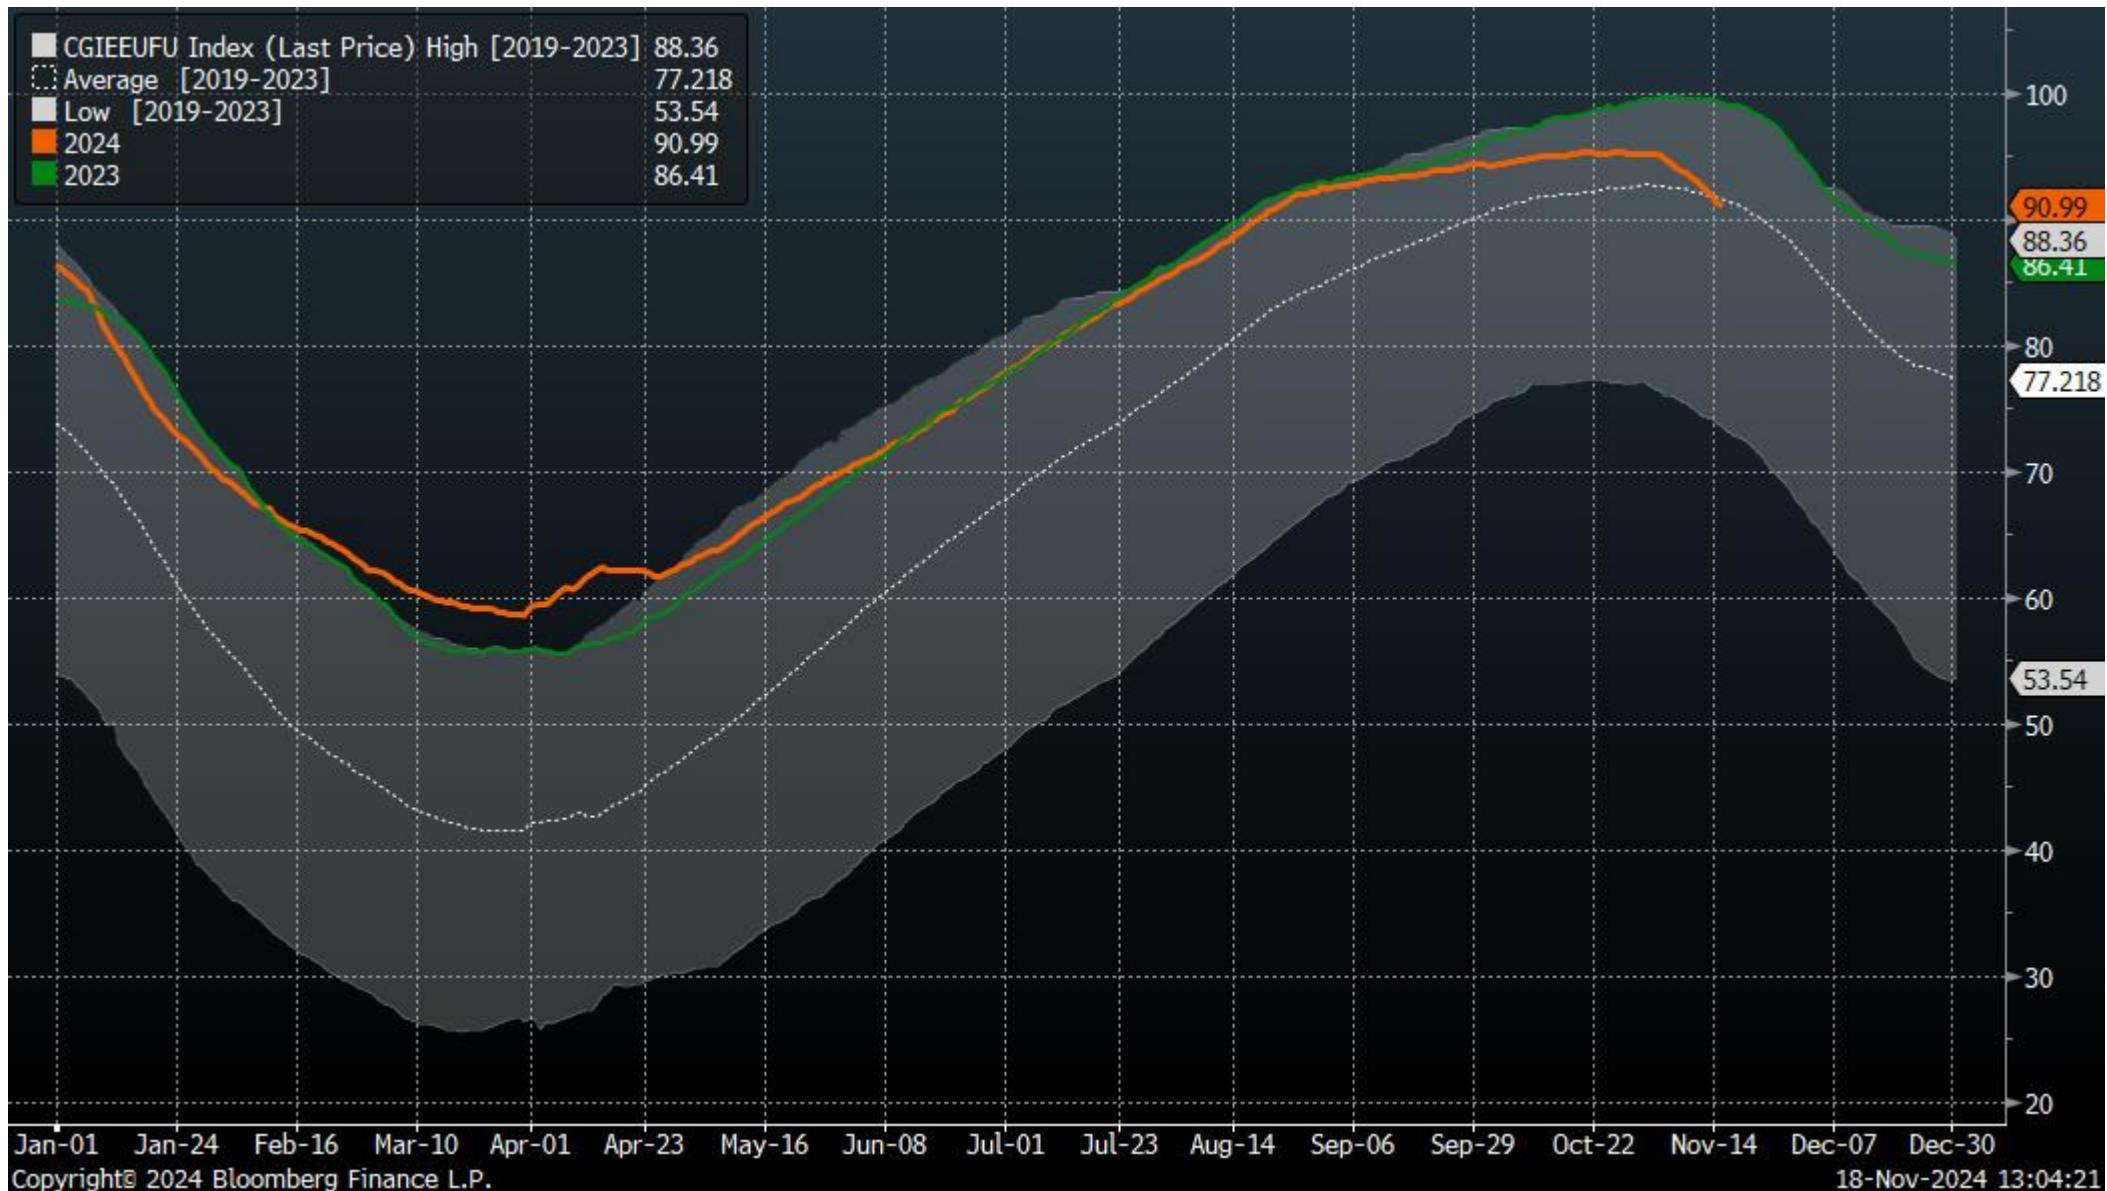

Elektros gamyboje dujas keičia atsinaujinančius šaltinius

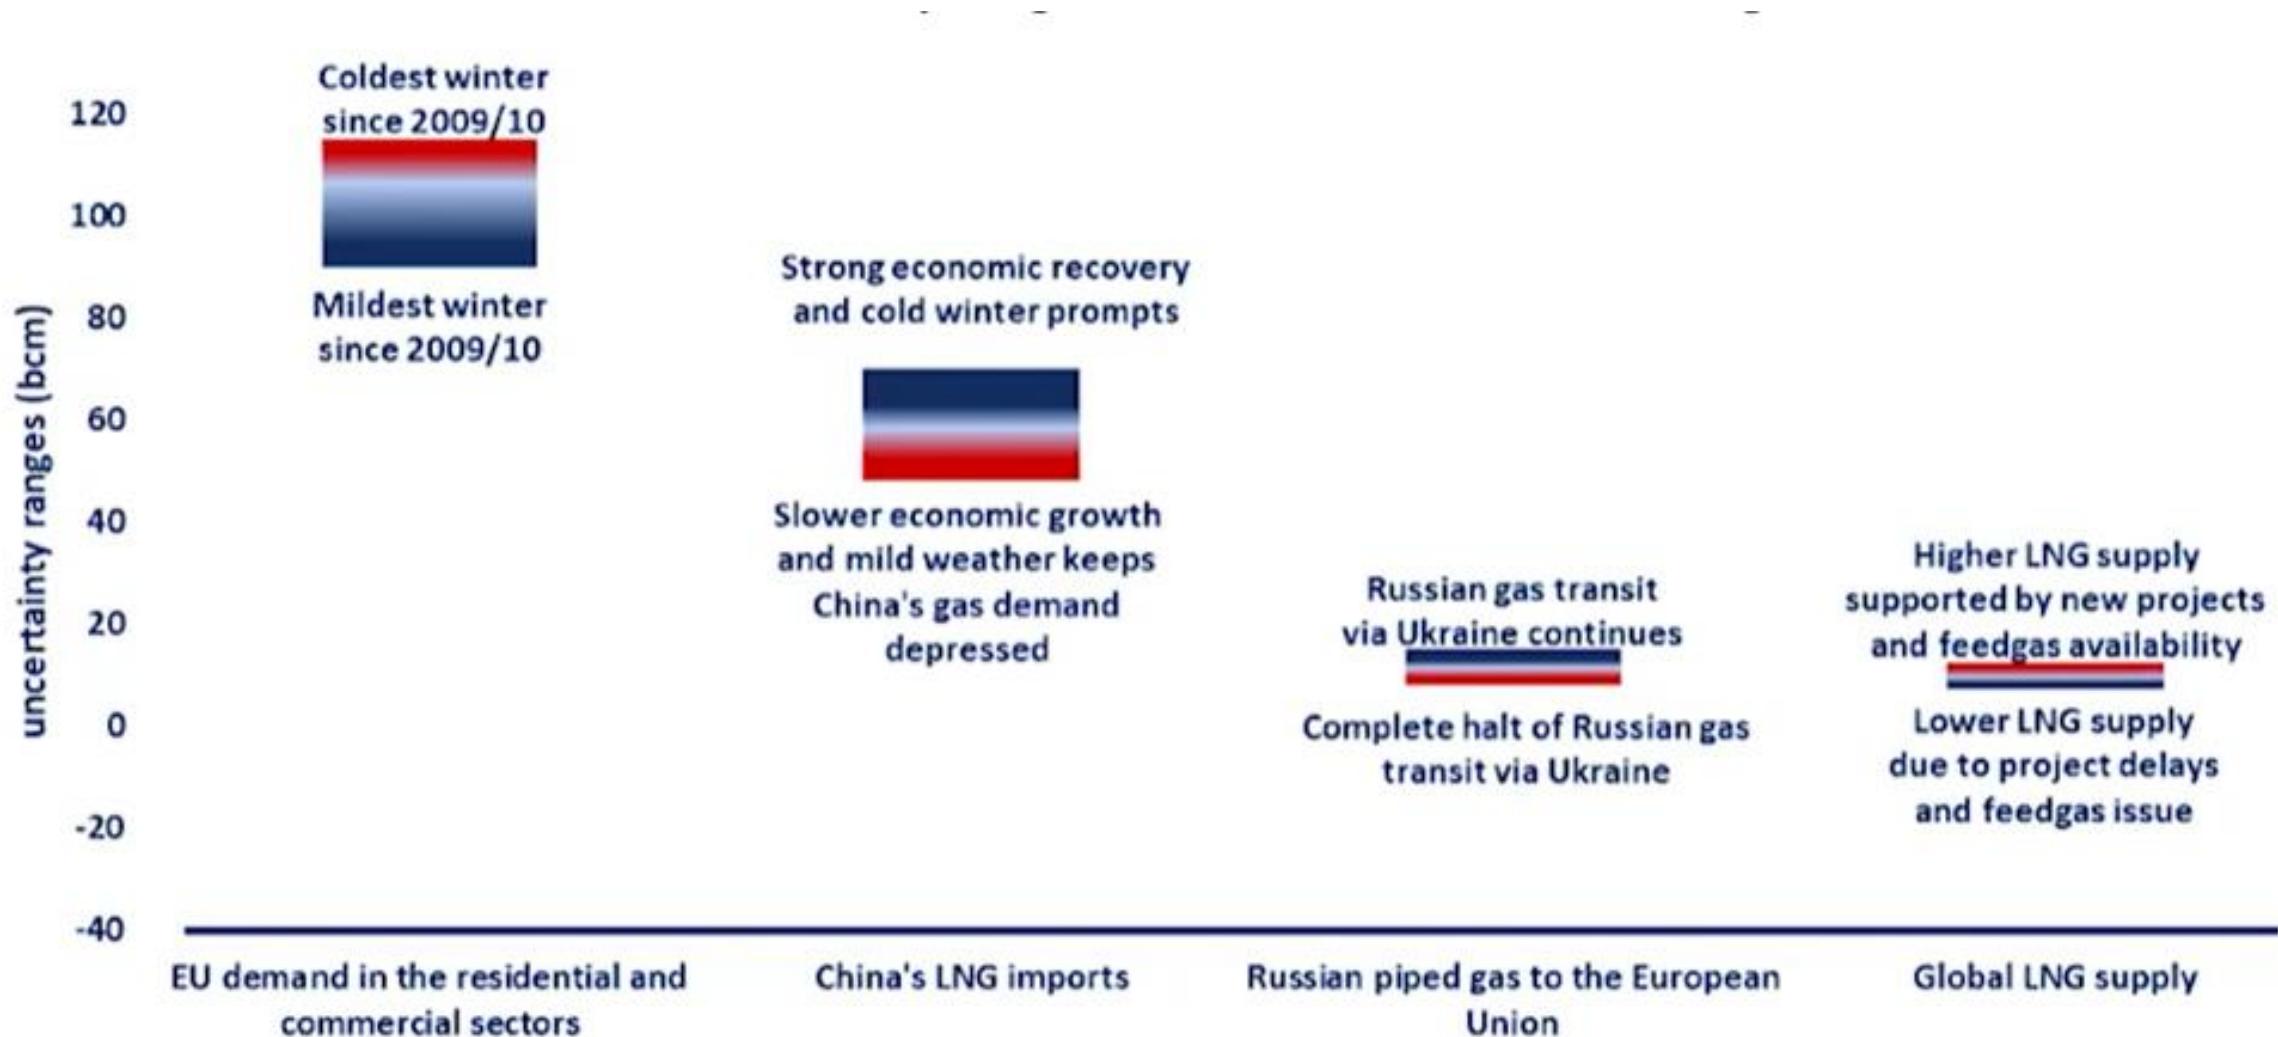

Šaltinis: International Energy Agency

Dujų saugyklos 91% užpildytos

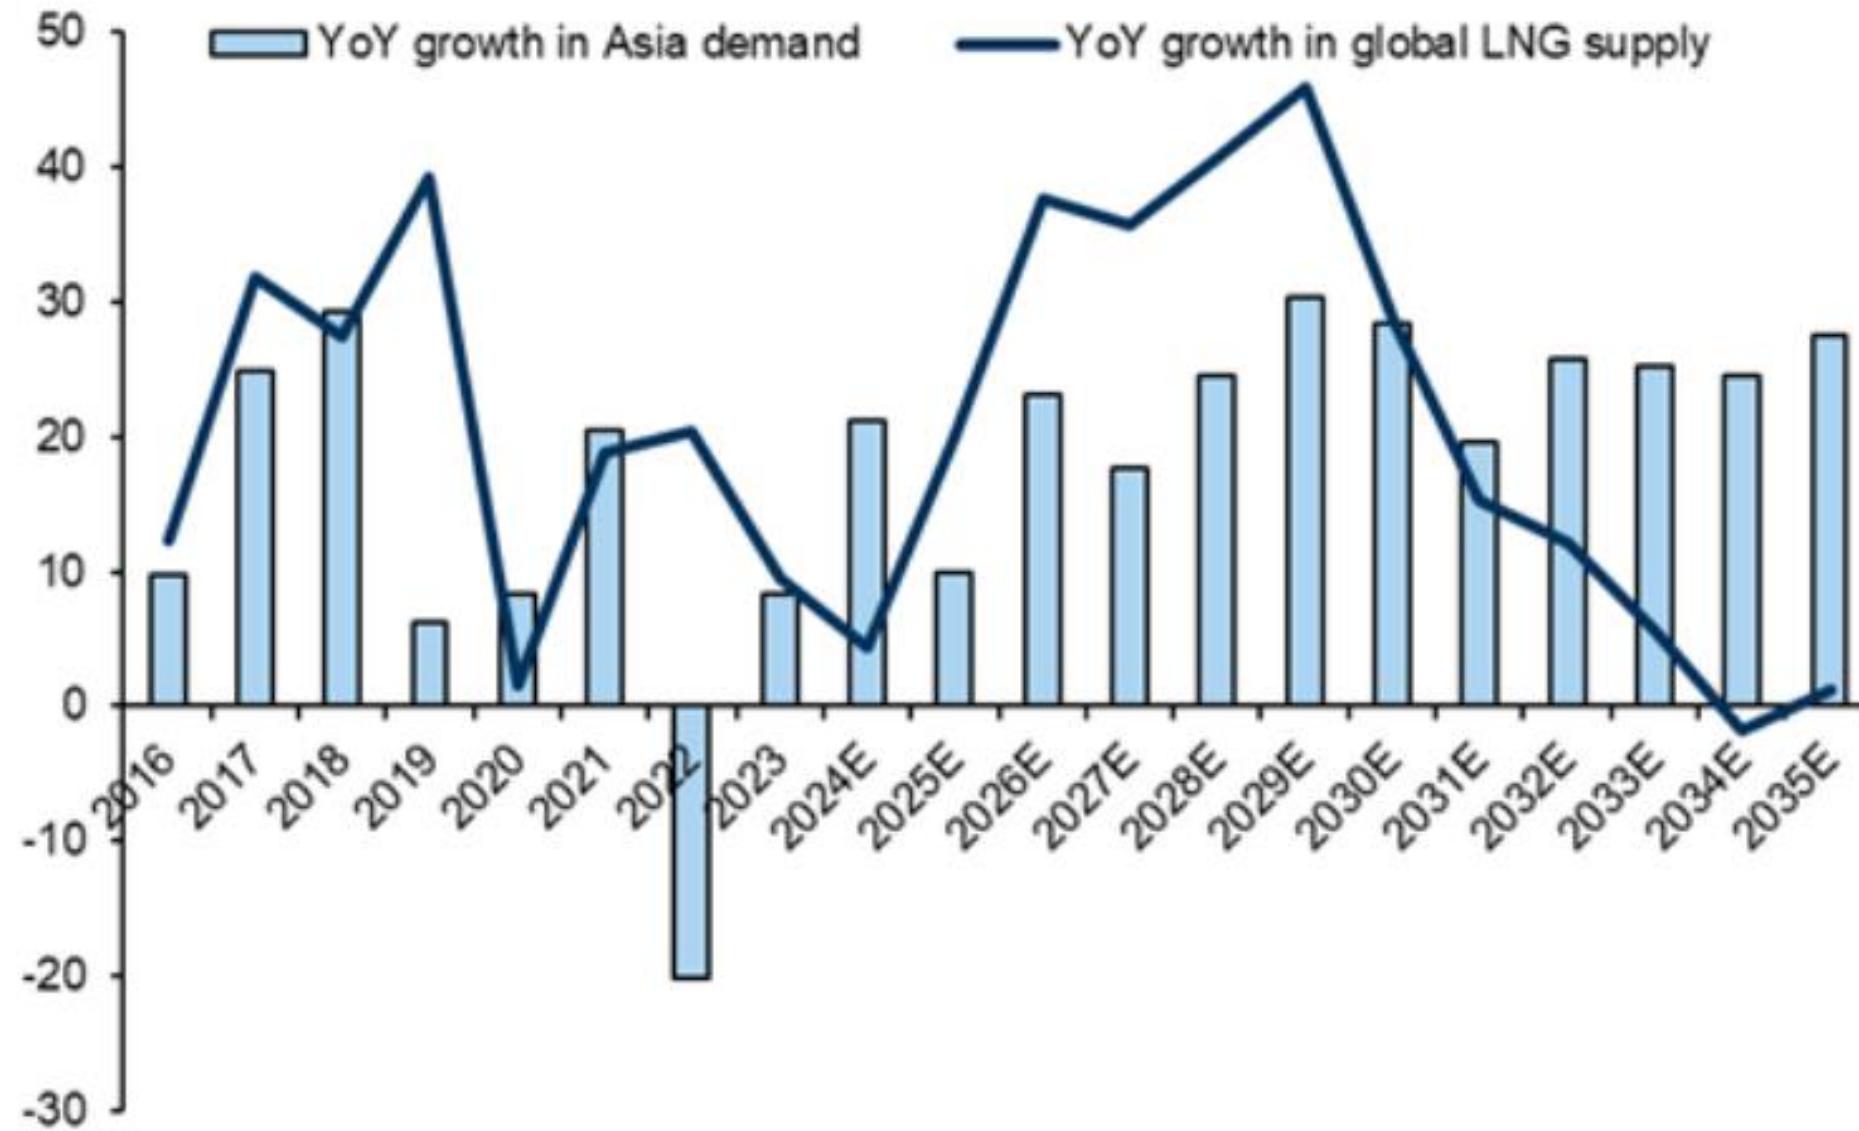

Orientaciniai neapibrėžtumo rėžiai prieš 2024/2025 šildymo sezoną

Europos dujotiekiai

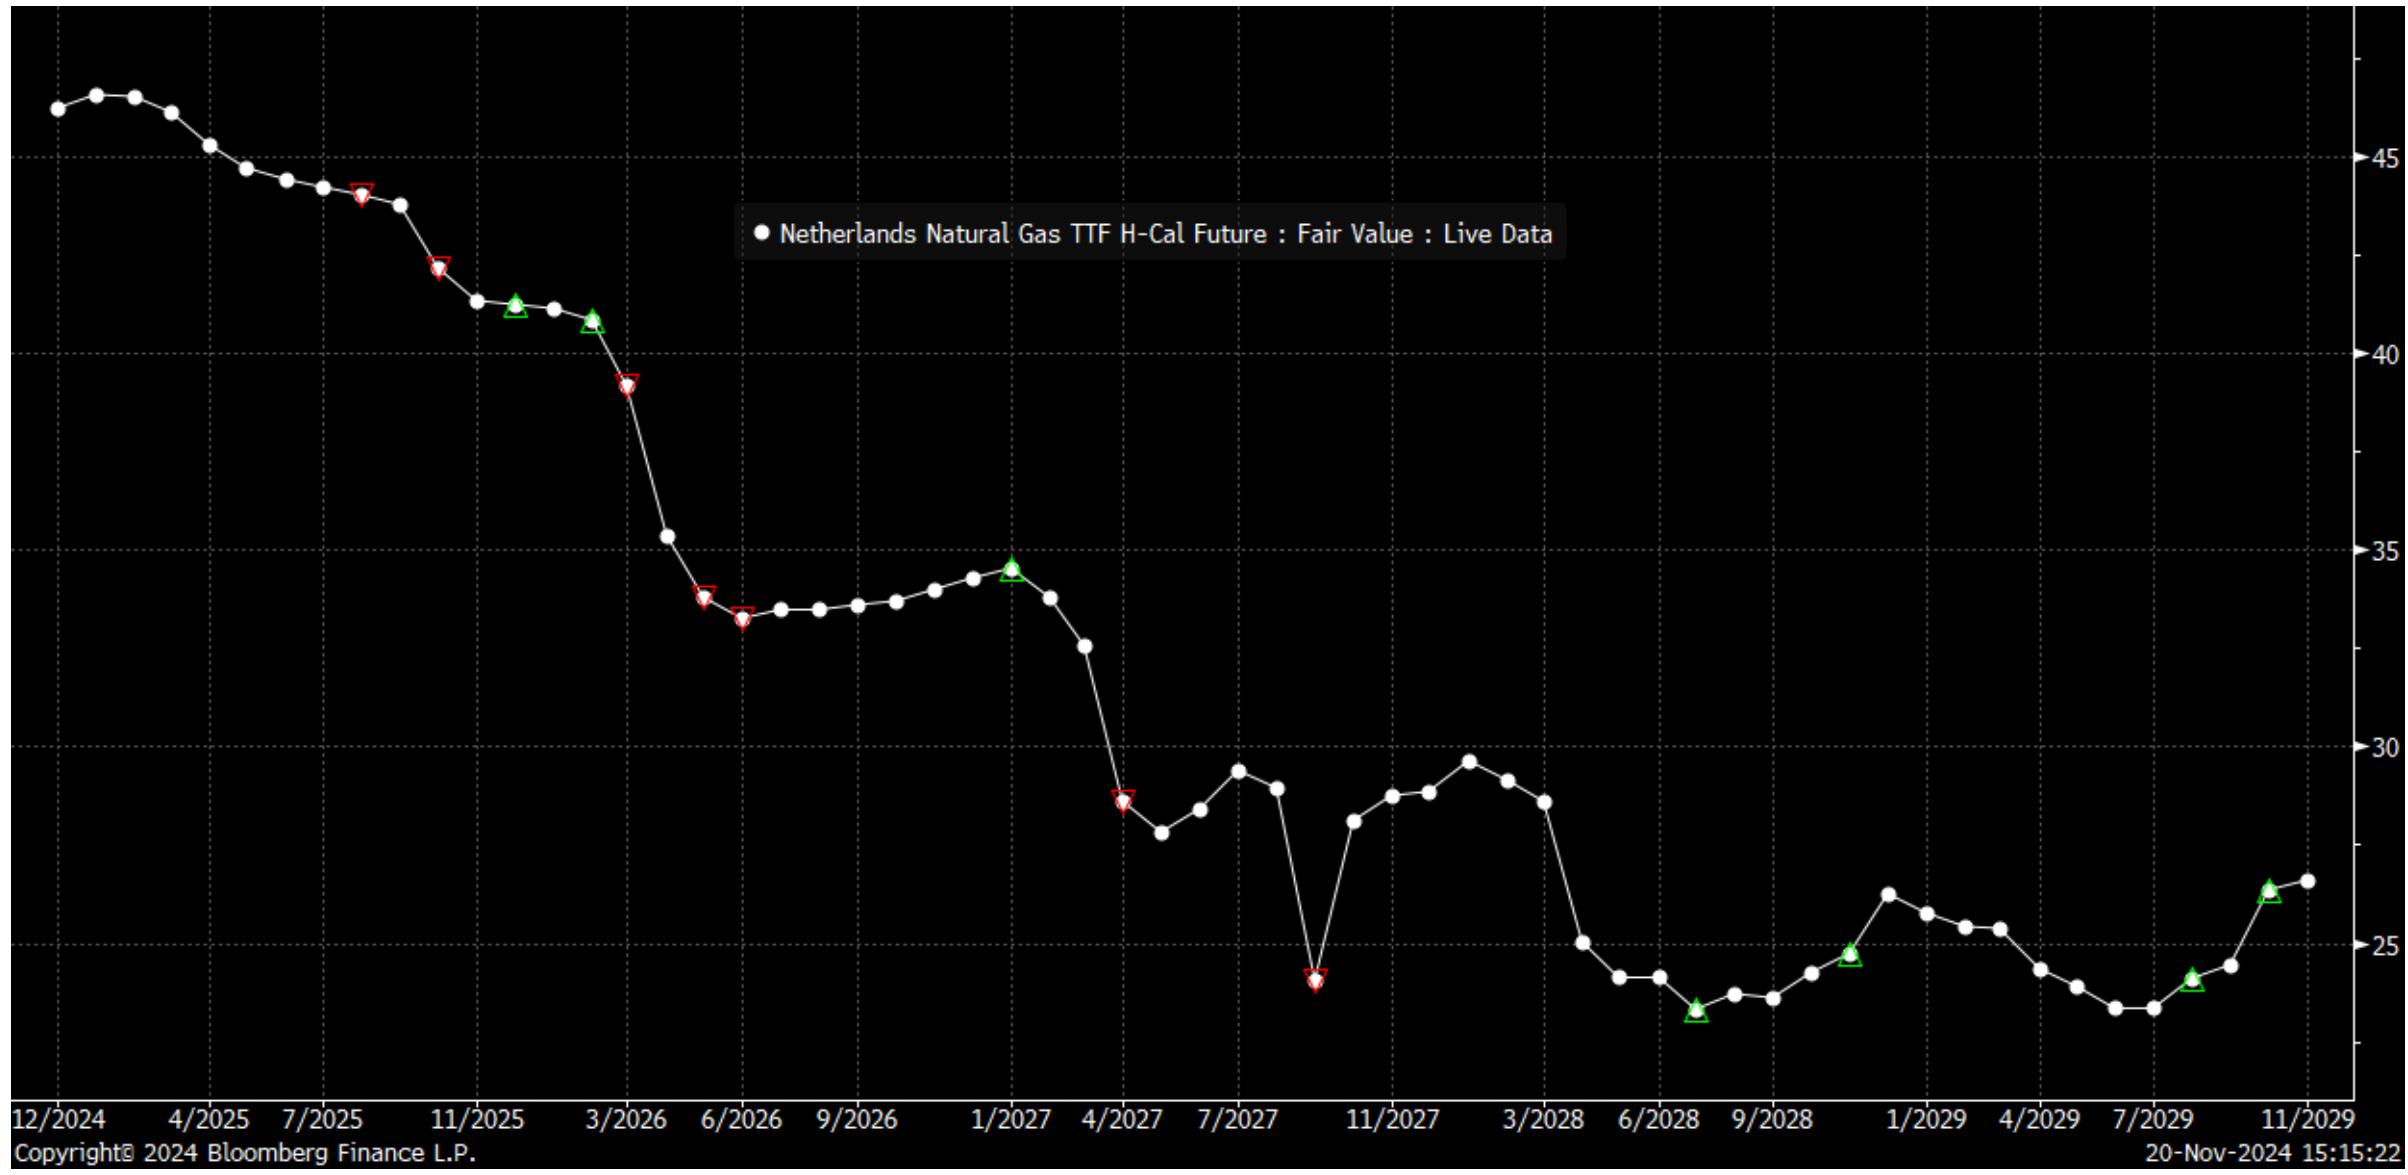

LNG pasiūla stipriai viršys didėjančią paklausą Azijoje

Šaltinis: Goldman Sachs Global Investment Research

Ateities kreivē

Apibendrinimas

- Dujų atsargos aukštame lygyje
- Šilta žiema Europoje/Azijoje
- Auganti LNG pasiūla
- Vėluojantys LNG projektais
- Rusiškų dujų tranzitas per Ukrainą
- Šalta žiema Europoje/Azijoje
- Infrastruktūros pažeidžiamumas
- Logistika (Hormūzo sąsiauris, Sueco kanalas)

Disclaimer (I)

The information provided in this presentation compiled by the Markets department of Luminor Bank AS (Luminor) is for general informational and discussion purposes and was provided to its recipients only. Information provided in this presentation is confidential and may not be disclosed, copied or reproduced without the consent of Luminor. The presentation should be read in its entirety, written material must be viewed in the context of oral comments made during the presentation. Rules regarding confidentiality and other internal rules limit the exchange of information between different units in Luminor. Employees in Luminor who have prepared this presentation are therefore prevented from using or being aware of information in possession of Luminor's other units which may be relevant to this presentation.

This presentation does not take into account nor does it provide any tax, legal or investment advice. Prior to entering the contemplated transaction the recipient is expected to carry out an independent analysis of the risks and economic consequences associated with such transaction. The recipient should make own independent estimation of and investigations into the products, investments and transactions referred to in this document and the recipient should not rely on any information in this document as constituting investment advice. This presentation only illustrates hypothetical performance under specified assumptions of events or conditions, which may include (but are not limited to) prepayment expectations, interest rates, collateral and volatility. This presentation may refer to past performance, which is not a reliable indicator of future performance. The recipient should understand the assumptions and evaluate whether they are appropriate for their purposes as the assumptions may be not comprehensive and actual events or conditions may differ materially from assumptions.

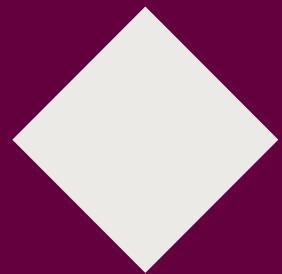

Any terms, prices or levels set forth in this presentation are preliminary and indicative and are subject to change at any time without notice. Luminor reserves the right to amend and replace the information in this presentation at any time but assumes no obligation to update or correct any of the information set forth herein.

Disclaimer (II)

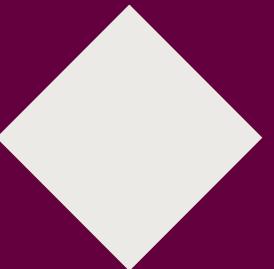

No part of this presentation, nor the fact of its distribution, should form the basis of, or be relied on in connection with any contract or commitment or investment decision whatsoever. This presentation shall not be regarded as creating any form of contractual relationship. No liability whatsoever is accepted for any direct or indirect (including consequential) loss or expense arising from the use of this presentation, as Luminor does not make any representation or warranty of any nature or accept any responsibility or liability of any kind for accuracy or sufficiency of any information in this document. Any reference in this document to particular proposed terms of the issue is intended as a summary and not a complete description. Terms or characteristics are subject to change.

The presentation is based on information obtained from public sources such as annual reports, publications issued by governmental institutions and other similar sources. While the authors of this presentation have taken all reasonable care to ensure that the facts stated herein are correct and reliable to the best of Luminor's knowledge, Luminor and its agents, advisors, directors, officers, employees and shareholders make no representation or warranties, expressed or implied, as to the accuracy of such information and Luminor expressly disclaims any and all liability that may be based on such information or errors or omissions thereof.

Luminor and/or other companies in the Luminor group or employees and/or officers in the group may be market makers, trade or hold positions in instruments referred to or connected therewith, or provide financial advice and banking services in this connection. Luminor may be solicited in the course of its placement efforts for the issue by investment clients for whom it already provides other services. Luminor may allocate securities to its own proprietary book. This represents a potential conflict of interest. Luminor has internal arrangements designed to ensure that it will give unbiased and full advice to a corporate finance client about valuation and pricing of the issue and internal systems, controls and procedures to identify and to manage potential conflicts of interest.
