

NOTICE OF MERGER TO SHAREHOLDERS OF Nordea 1 – Emerging Market Local Debt Fund

Dear Shareholder,

We are writing to inform you that the boards of directors of Nordea 1, SICAV and of Nordea 2, SICAV (the “**Boards of Directors**”) have decided to merge **Nordea 1 — Emerging Market Local Debt Fund** (the “**Merging Fund**”) into **Nordea 2, SICAV – Emerging Market Local Debt Enhanced Fund** (the “**Receiving Fund**”), (the “**Merger**”).

The Merging Fund together with the Receiving Fund are hereinafter to be referred to as the “**Funds**”.

The Merger shall become effective on **19 September 2019** (the “**Effective Date**”).

On the Effective Date, all assets and liabilities of the Merging Fund will be moved to the Receiving Fund. The Merging Fund will cease to exist as a result of the Merger and thereby will be dissolved on the Effective Date without going into liquidation.

Shareholders who agree with the changes proposed in this notice do not need to take any action.

Shareholders who do not agree with the Merger have the right to request the redemption or switch their shares in shares of the same or another share class of another fund of Nordea 1, SICAV, not involved in the Merger, free of charges (other than those retained to meet disinvestment costs (as the case may be)) as further described below. Conditions for switches are described in the prospectus of Nordea 1, SICAV.

Decision must be taken by 10 September 2019 before 15h30 (CET).

This notice describes the implications of the Merger and must be read carefully. **The Merger may impact your tax situation. Shareholders in the Funds are advised to consult their professional advisers in relation to the legal, financial and tax implications of the Merger under the laws of the countries of their nationality, residence, domicile or incorporation.**

Capitalized terms not defined herein have the same meaning as in the prospectus of Nordea 1, SICAV and Nordea 2, SICAV.

I. Reason for the Merger and impacts

1. Reasons

The Merger is undertaken as a matter of economic efficiency in the operation and management of the Funds; with the Merger, funds following the enhanced strategy, such as the Merging Fund, part of Nordea 1, SICAV, will be concentrated into one umbrella (Nordea 2, SICAV) and have the same branding by including “enhanced” in the fund name. It will then be more efficient to operate the enhanced family, of which the Receiving Fund will be part,

and the management will benefit from having all strategies in the same legal entity, Nordea 2, SICAV.

2. Similarities

Both Nordea 1, SICAV and Nordea 2, SICAV have been established in Luxembourg in accordance with part I of the 2010 Law so that shareholders of the Merging Fund will continue to hold shares in a regulated investment company and will benefit from the general safeguards applicable to undertakings for collective investment in transferable securities (UCITS) subject to Directive 2009/65/EC. As a result, the rights granted to the shareholders in the Receiving Fund are very similar to those in the Merging Fund.

The investment objectives, policies and strategies of the Merging Fund and of the Receiving Fund are similar and lead to the same market exposures. Accordingly, there is no intention to undertake any rebalancing of the portfolio of the Merging Fund as a result of the Merger.

The Merging Fund and the Receiving Fund have identical investment management fee rates.

Both Funds show a synthetic risk and reward indicator ("SRRI") of 4.

The base currency of both Funds is USD.

The methodology used to measure the global exposure of the Receiving Fund is the same as that of the Merging Fund.

The portfolio management of both Funds is carried out by Nordea Investment Management AB.

Both Funds are suitable for investors who have an investment horizon of at least 5 years.

3. Key Differences

As a result of the Merger, the shareholders of the Merging Fund will benefit from lower overall cost in the Receiving Fund, with a similar investment strategy as the Merging Fund. The investment objective and policy of the Merging Fund and the Receiving Fund are further disclosed in appendix I.

4. Potential Benefits

The Merger aims to provide the benefit of greater fund size in the future through more attractive overall fees and therefore, economies of scale, with the expectation that this should enable to attract investors in the long-term.

5. Impact of the Merger

Impact of the Merger on the shareholders in the Merging Fund

In order to enable the merger to be carried out efficiently, as of 15h30 (CET) on 10 September 2019, there will be a suspension of dealings, whereby no further subscriptions or conversions in the Merging Fund will be accepted.

The Merger will be binding on all the shareholders of the Merging Fund who have not exercised their right to request the redemption or switches of their shares during the period, commencing from the publication date of this notice and ending at 15h29 (CET) on 10 September 2019, which would be performed without any charges other than those retained by the Merging Fund to meet disinvest costs.

The last net asset value of the Merging Fund will be calculated as of 18 September 2019.

On the Effective Date, shareholders of the Merging Fund who have not exercised their right to redeem or switch their shares free of charge, will thus become shareholders of the Receiving Fund and receive shares in the corresponding share class of the Receiving Fund as further described below:

Impact of the Merger on the Merging Funds

II. Criteria adopted for valuation of the assets and liabilities on the date of calculating the exchange ratios

On the valuation day prior to the Effective Date, the Management Company will determine the exchange ratios.

The assets and liabilities of the Merging Fund will be valued in accordance with principles laid down in the articles of incorporation and the current prospectus of Nordea 1, SICAV.

The same number of shares in the Receiving Fund will be allocated to the shareholders of the Merging Fund with a net asset value calculated in accordance with the Prospectus and audited by the auditor of Nordea 1, SICAV and Nordea 2, SICAV. The relevant shares in the Merging Fund will then be cancelled.

PricewaterhouseCoopers, société coopérative, 2, rue Gerhard Mercator, L-2182 Luxembourg has been appointed as the independent auditor in charge of preparing a report validating the conditions foreseen in Article 71 (1), items a) to c) of the 2010 law for the purpose of the Merger.

The exchange ratio will be calculated on the valuation day prior to the Effective Date, based on the net asset values calculated as of 18 September 2019.
